Web Announcement 1630

Attention Provider Type 20 (Physician, M.D., Osteopath, D.O.):

Radiology Modifier RT/LT Billing Instructions

When presented with a need to submit a claim for a radiology code with modifier RT (right side) and modifier LT (left side), provider type 20 (Physician, M.D., Osteopath, D.O.) is instructed to bill the radiology code with both modifiers on one claim line with 2 units. Effective July 2, 2018, claims submitted with modifiers RT and LT on separate lines will deny with edit code 1111 (Unbundling of professional/technical portions of radiology). Future web announcements will provide information regarding the reprocessing of any related claims.
